COMMENTS ON YUGOSLAV RECOGNITION
OF PEOPLE'S GOVERNMENT

WONDERS ABOUT TITO'S ACTION -- Wen-hui Pao, 8 Oct 49

The recognition by Yugoslavia of our new government prompts us to make several observations.

1. Tito is looking for friends, and hopes that Mao Tse-tung will assert his independence of Moscow as he himself has done.
2. Perhaps the establishment of relations with the new China is a confession of error and a sign that he wishes to return to the anti-aggression camp.
3. Tito will respect the diplomatic procedures of other Communist countries, but he will not concern himself with questions pertaining to their advantage or disadvantage.

We must reserve judgment as to what Tito's true intentions and designs are. Nevertheless, the new China has repeatedly declared that it stands in the peaceful democratic camp, and so long as Tito treats us on a basis of equality, we will have diplomatic dealings with him.

TASS AGENCY IN PEI-CHING -- Wen-hui Pao, 8 Oct 49

5 October (ECFA) -- Since the establishing of diplomatic relations between the Soviet Union and our country, the Soviet Tass News Agency established a branch office in Pei-ching with the approval of our government. The former head of the Shanghai office, Rolcov, was appointed chief of this branch office located at No 18 Legation Street.

EXPLAINS MEANING OF CCP FLAG -- Wen-hui Pao, 8 Oct 49

- Hong Kong -- The meaning of the new CCP flag was explained to reporters on 7 October 1949 by Ch'en P'i-shih (Uda: 12864, 23, 1903), a well-known Hong Kong lawyer. The new flag has a red background with one large and four small yellow stars on the top, left corner.

The large star, he said, represents the leadership of the Chinese Communist Party. The four small stars indicate the socialist production classes in China, namely, the workers, the farmers, the petty bourgeoisie, and the national capitalists, respectively. Therefore, the new CCP flag symbolizes that if the four classes work together under CCP leadership, the economic, political, and social structure wantonly destroyed by the KMT will be reconstructed, he added.
